### **Factual Background**

16. Plaintiff Rodney Oliver, p/k/a Rodney O, is a world-renowned and influential rapper.

17. Together with Joe Cooley and Jeffrey Page, the three men formed the rap group Rodney-O & Joe Cooley and worked on numerous genre-defining projects.

18. In 1988, Rodney-O and Joe Cooley wrote and recorded the rap song entitled *Everlasting Bass* (the "Song"). The composition for the Song is registered with the United States Copyright Office by Plaintiff.

19. *Everlasting Bass* is an original work including an original rhythm and beat that is unique compared to prior works.

20. In 2022, Defendants created the song entitled *Who TF Up in My Trap* released by NLE Choppa on an album titled *Top Shotta*.

21. The song *Who TF Up in My Trap* (hereinafter the "Infringing Work") was a hit song garnering hundreds of thousands of plays and streams around the world resulting in significant revenue and profits to Defendants.

22. The primary rhythm of the Infringing Work is comprised of a sample and/or a verbatim copy of elements from the Song.

23. The composition of the Infringing Work substantially comprises the composition of *Everlasting Bass* and is either a verbatim copy or encompassed and embodied in an audio sample of *Everlasting Bass* found in the Infringing Work.

24. A sample of audio from the recording of *Everlasting Bass* is prominently incorporated throughout the mix of the Infringing Work.

25. Defendants at no point sought to obtain authorization from Plaintiff to use the *Everlasting Bass* composition in connection with the Infringing Work.

1 under the Copyright Act. Such exploitation includes, without limitation, Defendants',  
2 and each of them, distributing and broadcasting the Infringing Work on streaming  
3 platforms, including Spotify, Apple Music, Amazon, Pandora, and YouTube.

4 36. Due to Defendants', and each of their acts of infringement, Plaintiff's  
5 have suffered actual, general, and special damages in an amount to be established at  
6 trial, including but not limited a reasonable license fee for Defendants' use of the  
7 sample.

8 37. Due to Defendants' acts of copyright infringement as alleged herein,  
9 Defendants, and each of them, have obtained direct and indirect profits they would  
10 not otherwise have realized but for their infringement of Plaintiff's rights in  
11 Plaintiff's copyrighted composition. As such, Plaintiff is entitled to disgorgement of  
12 Defendants' profits directly and indirectly attributable to Defendants' infringements  
13 of their rights in the composition in an amount to be established at trial.

14 38. Plaintiff is informed and believes and now alleges that Defendants, and  
15 each of their, conduct as alleged herein was willful, reckless, and/or with knowledge,  
16 subjecting Defendants, and each of them, to enhanced statutory damages, claims for  
17 costs and attorneys' fees, and/or a preclusion from deducting certain costs when  
18 calculating disgorgeable profits.

19 **Second Claim for Relief**

20 *(For Vicarious and/or Contributory Copyright Infringement—Against all Defendants,*  
21 *and Each)*

22 39. Plaintiff repeats, re-alleges, and incorporates by reference all preceding  
23 paragraphs of this Complaint.

24 40. Plaintiff is informed and believes and now alleges that Defendants  
25 knowingly induced, participated in, aided and abetted in and profited from the illegal  
26 reproduction, distribution, and publication of the Infringing Work as alleged above.  
27 Specifically, the producers underwrote, facilitated, and participated in the respective  
28

1 illegal copying during the creation of the Infringing Work. Defendants, and each of  
2 them, realized profits through their respective obtainment, distribution, and  
3 publication of the Infringing Work.

4 41. Plaintiff is informed and believes and now alleges that Defendants, and  
5 each of them, are vicariously liable for the infringement alleged herein because they  
6 had the right and ability to supervise the infringing conduct and because they had a  
7 direct financial interest in the infringing conduct. Specifically, each Defendant  
8 involved in the infringement had the ability to oversee the publication and  
9 distribution of the Infringing Work. And, Defendants, and each of them, realized  
10 profits through their respective obtainment, distribution, and publication of the  
11 Infringing Work.

12 42. By reason of Defendants, and each of their, acts of contributory and  
13 vicarious infringement as alleged above, Plaintiff has suffered and will continue to  
14 suffer substantial damages in an amount to be established at trial, as well as  
15 additional actual, general and special damages in an amount to be established at trial.

16 43. Due to Defendant's acts of copyright infringement as alleged herein,  
17 Defendant's, and each of them, have obtained direct and indirect profits they would  
18 not otherwise have realized but for their infringement of Plaintiff's rights. As such,  
19 Plaintiff is entitled to disgorgement of Defendant's profits directly and indirectly  
20 attributable to Defendant's infringement of Plaintiff's rights in his copyrighted  
21 composition in an amount to be established at trial.

22 44. Plaintiff is informed and believes and now alleges that Defendants, and  
23 each of their, conduct as alleged herein was willful, reckless, and/or with knowledge,  
24 subjecting Defendants, and each of them, to enhanced statutory damages, claims for  
25 costs and attorneys' fees, and/or a preclusion from deducting certain costs when  
26 calculating disgorgeable profits.

27 **Prayer for Relief**

*(Against All Defendants)*

With Respect to Each Claim for Relief, Plaintiff demands judgment against Defendants as follows:

- a. That Defendants, their affiliates, agents, and employees be enjoined from infringing Plaintiff's copyrights in and to Plaintiff's copyrighted composition;

Granting an injunction permanently restraining and enjoining Defendants, their officers, agents, employees, and attorneys, and all those persons or entities in active concert or participation with them, or any of them, from further infringing Plaintiff's copyrights in and to Plaintiff's copyrighted composition;
- c. For a constructive trust to be entered over any recordings, videos reproductions, files, online programs, and other material in connection with the Infringing Song and all revenues resulting from the exploitation of same, for the benefit of the Plaintiff;
- d. That Plaintiff be awarded all profits of Defendants, and each, plus all losses of Plaintiff, plus any other monetary advantage gained by the Defendants through their infringement, the exact sum to be proven at the time of trial;
- e. That Defendants pay damages equal to Plaintiff's actual damages and lost profits;
- f. That Plaintiff be awarded statutory damages and attorneys' fees as available under 17 U.S.C. § 505 or other statutory or common law;
- g. That Plaintiff be awarded pre-judgment interest as allowed by law;
- h. That Plaintiff be awarded the costs of this action; and
- i. That Plaintiff be awarded such further legal and equitable relief as the Court deems proper.

1 Plaintiff demands a jury trial on all issues so triable pursuant to Fed. R. Civ. P.  
2 38 and the 7th Amendment to the United States Constitution.

3 Respectfully submitted,
